

The "Mini Knockout" Games list.

This "games list" sheet relates to our Mini Knockout set of games. The Mini Knockout is ideal for the smaller team-building type of event. The six games listed here still have "Knockout fun" but on a smaller scale to our other HGV based packages.

Please note that this package does not involve any of the large 50ft inflatables or such that are featured in our full knockout packages. The Mini Knockout needs about the size of three tennis courts in room (70ft x 90 ft) and includes arena marking/bunting, a small sound system, prizes and a generator to power the games. Three of the games can be ran "wet", and if done so we will need about four to six dustbins worth of water to help make the "bubbles" for these games.

1. "It's A Knockout".

In relay the teams collect parts of a velcro banner through our inflatable scramble nets. Once assembled the banner says the phrase "It's A Knockout!".

2. "Ring A Roses".

Using our 2 part Pit-Squeeze inflatable, the teams collect as many rings as they can in the time. There's at least a couple of goes each.

3. "The Caterpillar Race".

The team in two parts stand inside and walk the caterpillar tracks up the course and back again. If only it was as simple as it sounds !

4. "Target Humpty".

A multi-task game involving one of the team dressing up in our large Humpty-Dumpty sumo suit.

5. "Sliding Hockey Slalom" (can be ran wet or dry).

The teams in relay slide through our tunnels inflatable to then hockey slalom up the course to the goals. Most goals wins.

6. "Pea Soup". (wet game).

In relay the teams go into the inflatable bubble pit to collect "peas" from the foam/bubbles. A great funny game to finish with.

Also Available... We can add four of our Wacky School Sports Day games onto the Mini Knockout making a great ten game package. This adds about 45 minutes of games onto the total running time. We would also suggest a short break as well being added so that teams can "get their breath" or have refreshments. The price to add these four Sports Day games is an extra £150.00 + vat
